- Contemporary tapered backrest, height adjustable with a positive leverless ratchet action.
- Ergonomically sized double curved waterfall seat.
- Independent seat and back angle adjustment with tilt, adjustable to bodyweight for maximum adjustability and comfort.
- Seat slide adjustment of 50mm, easily controlled from the seated position with a simple lift-up operation.
- Optional inflatable lumbar panel will target specific areas for increased back support.
- Coordinating chrome base option for heavier usage and furniture compatibility.
- All chairs are designed to conform to relevant British standards and the current EEC VDU Directives.

Guarantee

All models carry a full 5 year structural guarantee, 2 years on moving parts and upholstery and 1 year for 24 hour use, all subject to normal usage.
